Answer

MINISTER OF STATE IN THE MINISTRY OF PARLIAMENTARY AFFAIRS AND MINISTER OF STATE IN THE MINISTRY O URBAN DEVELOPMENT & POVERTY ALLEVIATION (SHRI O. RAJAGOPAL)

(a)to(d): Vasundhara Enclave Area, developed by Delhi Development authority (DDA) to provide land to various Co-operative Group Housing Societies, has become fully habitated. DDA has reported that basic facilities like electricity, roads, S.W. drain and sewerage are already available in the area. The water supply is available through tube-well. DDA has already requested Municipal Corporation of Delhi (MCD) and Delhi Jal Board (DJB) for taking over of the services like sewerage, SW drains, roads, horticulture, power, water supply, etc. These services are however yet to be taken over except the outfall arrangement of sewerage system, i.e. sewage pumping station. The plans have been submitted by DDA to MCD and Delhi Jal Board Joint inspection has already been done in respect of roads, SW drains and horticulture.
